Dear Mr. Moore,

This is to acknowledge receipt of your email to the Public Service Commission of South Carolina. I am forwarding your email to our Clerk's Office for processing. Your email will become a part of Docket No. 2014-372-T and will be posted on our website under this docket.

Please let me know if you should require any additional information.

Sincerely,

Deborah Easterling
Administrative Coordinator

Subject: Uber

It is time to let it go and let small business thrive in the state. Uber is doing some great things in that they are making us rethink our current transportation systems and giving us options. Is that not what this state is all for, less regulation and freedom to create and invent. Seems like you are going backwards here. At 55 years old disabled in wheel chair, white male, Uber provides me options that are not available with other services.

Dear Officials,

We need Uber.

Thanks!

Jason
